## **VIRTUAL Chicago Ride of Silence™ to be held May 20, 2020**

**One day. One time. Worldwide.**

**In collaboration with Vision Zero Chicago, honoring crash victims across the city.**

**We gather...**

- \*To HONOR those who have been injured or killed**
- \*To RAISE AWARENESS that we are here**
- \*To ask that we all SHARE THE ROAD**

Please join the Virtual Chicago Ride of Silence 2020 event via online this Wednesday evening at 6:30 pm: <https://bit.ly/ros2020>

The Chicago Ride of Silence will NOT gather at Daley Plaza this year, as it has since 2006. This year, due to the COVID-19 pandemic and Illinois' stay-at-home order, we will host a VIRTUAL event and hope we can gather in-person in November on the annual World Day of Remembrance.

This time and space will unite all Chicagoans for a special online tribute to all cyclists across the city who have lost their lives this past year and in previous years while riding their bicycle on the road.

Chicagoans will join fellow cyclists around the world for this annual event to raise awareness of cyclists' right to ride on the road and to honor the fallen cyclists no longer with us. The 2020 Chicago Ride of Silence will collaborate for the third year with the Vision Zero Chicago initiative that aims to eliminate traffic crashes that cause death and serious injury through an equitable distribution of resources and inclusive community engagement. The initial Ride of Silence was founded in Dallas, Texas, in 2003; the first Chicago Ride of Silence was in 2005.

This event is to honor those who have been killed or injured while riding on our public roadways and it advocates for motorists to share the roads with cyclists. It will also highlight high crash corridors.

Ride of Silence events are scheduled in communities throughout the Chicagoland area and around the world. ## **ABOUT THE RIDE OF SILENCE**

### **Mission Statement:**

The mission of the worldwide Ride of Silence™ is to honor bicyclists killed by motorists, promote sharing the road, and provide awareness of bicycling safety.

\*\*\*

Founder and President Chris Phelan organized the first Ride of Silence in Dallas in 2003 after endurance cyclist Larry Schwartz was killed by a passing bus's mirror on an empty road. The Ride of Silence is a free ride that asks its cyclists to ride no faster than 12 mph for no longer than an hour.

The ride hopes to raise cycling awareness during bike safety month to motorists, police, traffic engineers, insurance companies, and city officials. The ride is also a chance to mourn, in funeral procession style, those who have already been killed.
